INTRODUCTION

Welcome to GrabIT Shop, where we're revolutionizing the shopping experience!

Our platform combines Augmented Reality (**AR**), Virtual Reality (**VR**), and blockchain technology to offer something truly unique.

Unlike traditional shopping, GrabIT Shop introduces an entirely new way of shopping. You can interact with products in detail and pay with various methods, including cryptocurrencies. So, Get ready to experience shopping like never before!

MARKET OPPORTUNITY

GrabIT Shop is set to capitalize on new market opportunities through the use of AR, VR, and cryptocurrencies. The AR market is expected to reach **\$120 BILLION** by 2026, offering immersive shopping experiences that enhance consumer engagement. With VR growing to **\$62 BILLION** by 2027 and cryptocurrency adoption increasing globally, GrabIT Shop stands to benefit from these expanding trends and technologies.

VISION

OUR VISION is to create an exceptional shopping experience where users can explore virtual stores, try on items digitally, and make payments seamlessly with cryptocurrencies.

MISSION

OUR MISSION is to redefine how consumers interact with brands and products by creating a platform that makes shopping more engaging, immersive, and accessible to everyone, anywhere in the world.

PLATFORM OVERVIEW

VIRTUAL STORES

Explore virtual showrooms as if you were actually there. Walk through a path, check out products closely, and get a feel for what you're buying.

DIGITAL TRY-ONS

See how items look on you or in your space before you buy. Whether it's clothes, furniture, or accessories, you can try them out easily.

EASY PAYMENTS

Pay using various methods, including cryptocurrencies. It's fast, secure, and flexible, making your shopping experience smooth and hassle-free.

BLOCKCHAIN INTEGRATION

GRABIT COIN

Explore virtual showrooms as if you were actually there. Walk through a path, check out products closely, and get a feel for what you're buying.

SEAMLESS & SECURE TRANSACTIONS

See how items look on you or in your space before you buy. Whether it's clothes, furniture, or accessories, you can try them out easily.

MULTI-CURRENCY SUPPORT

In addition to Grabit Coin, the platform supports various fiat and cryptocurrency payment options. This makes it accessible to a global audience. Users can transact in the currency they prefer.

PRODUCT FEATURES

AUGMENTED REALITY SHOPPING

Grabit Shop's AR feature transforms how you shop by letting you see products in your own space before you buy. Imagine trying on outfits without leaving home or placing virtual furniture in your room. This unique tool helps you make confident choices with a real-life preview.

VIRTUAL SPACE STORE

Grabit Shop's VR feature brings shopping to life. Explore and interact with products in a virtual space that feels like a real store. It turns digital shopping into a hands-on experience, just like being in a physical shop.

DIVERSE PAYMENT CHOICES

Pay effortlessly with a variety of options, from traditional currencies to modern cryptocurrencies. Experience a smooth and flexible checkout tailored to your preferences.

GRABiT

TOKENOMICS

CENTRAL ROLE OF GRABIT COINS

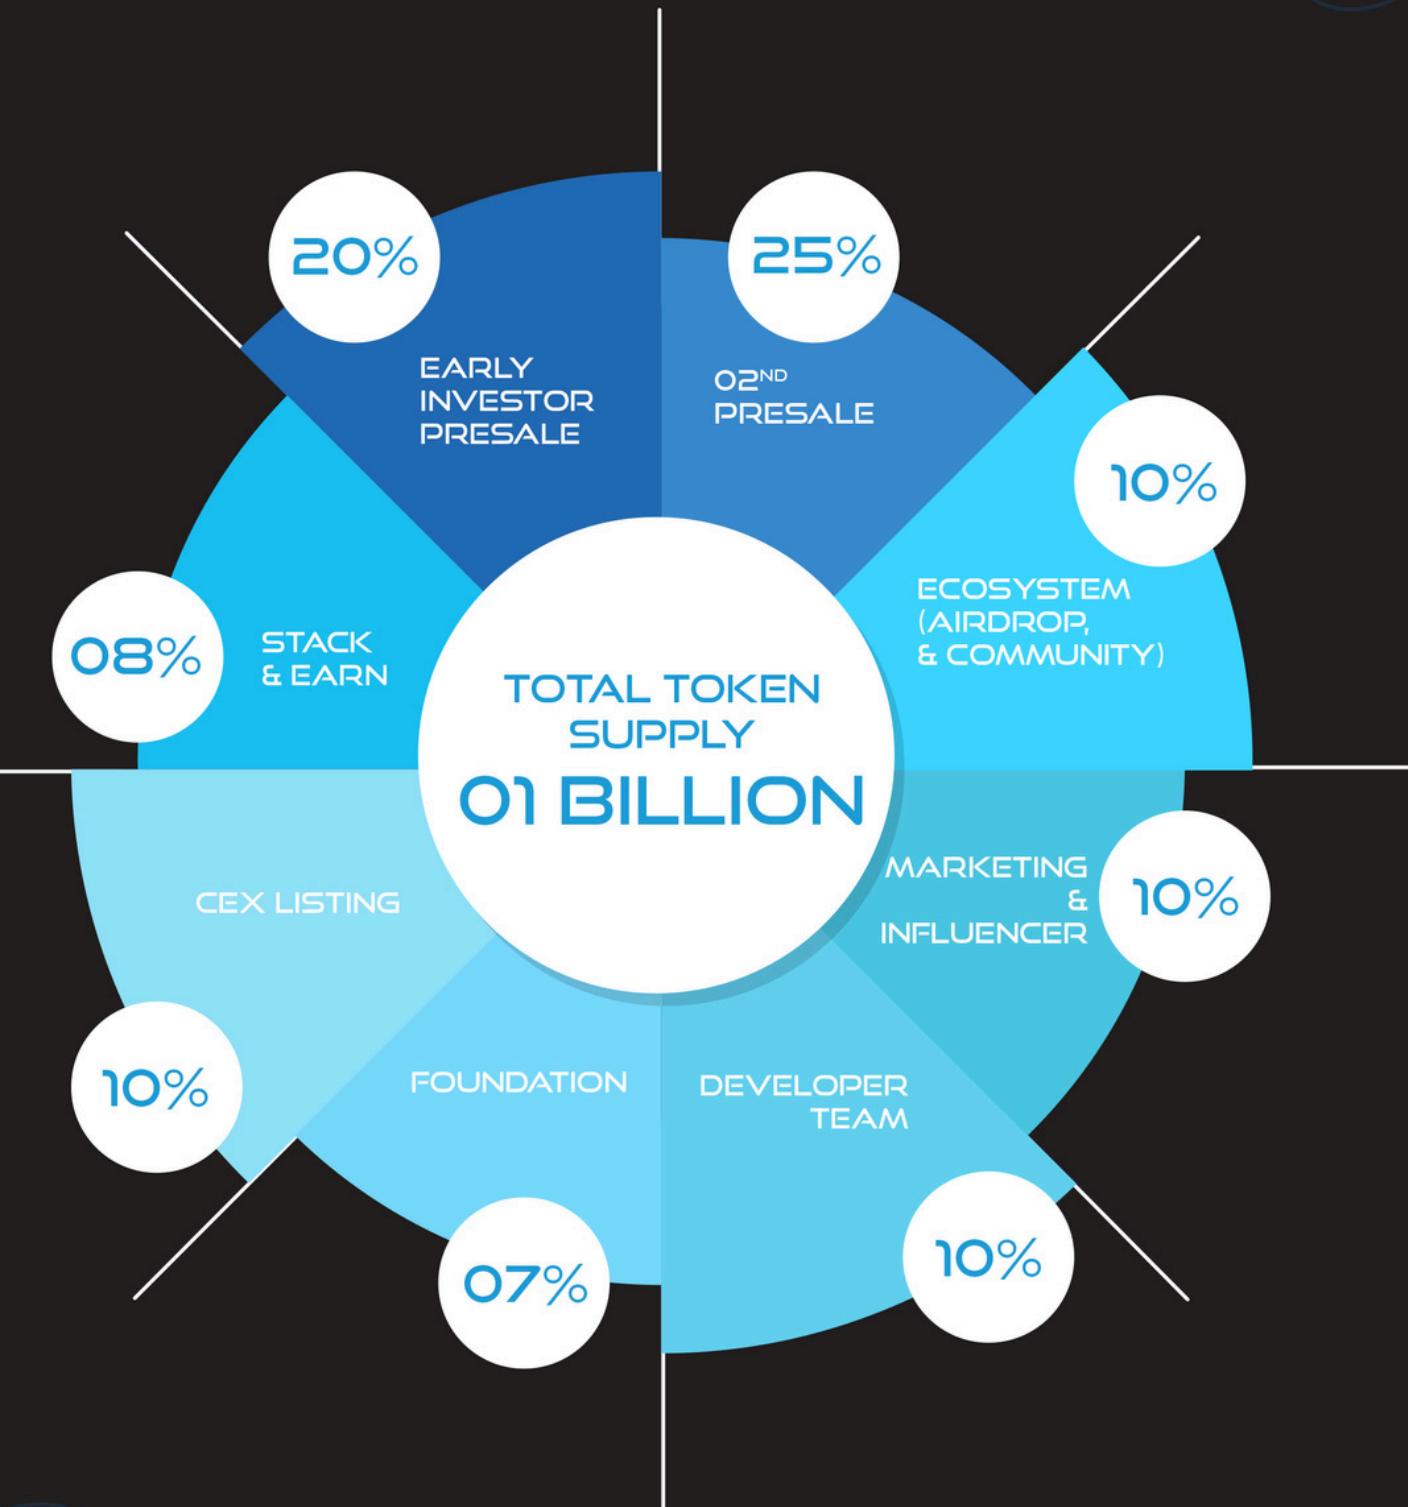

In the GrabIT Shop virtual ecosystem, GrabIT coins are crucial for transactions, rewards, and governance. Users can spend coins exclusively within our virtual shopping world, purchasing unique items and getting unique experiences.

COINS DISTRIBUTION & REWARDS

The total token supply is 1 billion. Allocation includes early investor presales, ecosystem, marketing, development, and more. Taxes include 3% for buying and selling, with additional percentages allocated to development, liquidity, and holder rewards.
